

# Lake Tahoe Park Association

A Non-Profit Corporation acting as Trustee for the Property Owners of Lake Tahoe Park

Mail completed Email Request Form to:  
P.O. Box 5771, Tahoe City, California, 96145

In the interest of improved communications, the Board has proposed that we begin to use email as a means of routine communications. Once operational, an email system will permit rapid dissemination of information, confirmation of reservations, and permit a more efficient and cost effective two-way communication. To begin this project, please complete this form and return with your payment. Please provide contact telephone numbers that can be used for emergency purposes. For those of you without email and/or those who prefer the normal USPS system, we will of course accommodate you. **If you wish to provide contact information electronically, please email to: [accounts@laketahoeassociation.com](mailto:accounts@laketahoeassociation.com).**
